Please pray for David and Robin's family in SE Asia

David, Tim & national partners have made several trips to the coast for tsunami disaster relief. They carry with them supplies to those in need and carry the good news to families in places that have very limited access to the truth. One of the trips was to the area where Saul* lives (7 hours to drive 130 miles!!!) Please pray for the families in the villages that have lost family members and their worldly possessions. They are devastated and hopeless. Ask our heavenly Father to provide for their needs but more importantly, ask Him to soften their hearts and give them hope through the Lord. Pray they have dreams of The Life Giver – pray thy would be dissatisfied with their religion and spiritual state. Of all the trips and visits the team has made, no one has believed, yet, but many are hearing the truth and several families are open to hearing more.
