**Pray for David and Robin in SE Asia.**

Fasting month begins May 15th. Please remember the millions of people in our country who will be participating. They believe this is a way they can show God that they are suffering and "paying for their sin". Ask Father to give us opportunities to speak to those who are open to the Good News so they can hear how they can KNOW their sins are forgiven through Jesus. Ask for dreams and visions to prepare them for TRUTH.

David will be out of the country for 10 days - May 15-24 for meetings - pray for Robin & kids to remain healthy and safe while he is away.

Follow up with several of the men who David has been able to share with lately - and that these men would become true disciples.

There have been several bombing attacks in the last week in on our island. Please pray that during this fasting month, that the Father's hand would be heavy on the hearts of the majority people here and that they would hear the truth from believers (3 of the attacks were on churches, and others at different locations).
