**Please pray for Jeff and Caitlyn and their children.** Here is a recent note. The Missions Committee will be providing you more details in the coming weeks about how to help with their request for prayers for their state in South Asia.

*Four tasks we can participate in to reach people around the world are giving, praying, sending, and going. One of the biggest tasks a Christian can do to advance the Great Commission is pray. Last year many of you helped us pray for over 44,000 villages in our state, and this has become a yearly goal for us. You can adopt your own sub-district OR lift the same names we sent to you last year.*

*We would love it if you would join us in the prayer effort for the villages of our state.*

*Sending and going are modeled in Acts 13 as two of the five church leaders in Antioch were sent out for cross-cultural ministry. We’re thankful to be sent by you, and at the same time we are burdened with the task before us. We know we need His strength which is found daily by dependence on Him. Pray for us that we may walk in the works prepared for us and that we listen closely to Him from His Word and by His Spirit.*

**November Bible Verses**

*"You know the time, that the hour has come for you to wake from your slumber. For salvation is nearer to us now than when we first believed. The night is far gone; the day is at hand. So then let us cast off the works of darkness and put on the armor of light."-Romans 13:11-12*
